Activity 3.2.1: Postulates and Theorems

Total points = 10

A. Answers

- 1. Subtraction Property of Equality 🗸
- 2. PCAC Postulate 🗸
- 3. PSSIAS Theorem ✓
- 4. Division Property of Equality ✓
- 5. Segment Addition Postulate 🗸

B. Answers

- 1. Subtraction Property of Equality 🗸
- 2. Definition of Segment Bisector ✓
- 3. Law of Substitution 🗸
- 4. Transitive Property of Equality ✓
- 5. Definition of Congruent Angles ✓

Activity 3.2.1: Postulates and Theorems

Total points = 10

A. Answers

- 1. Subtraction Property of Equality 🗸
- 2. PCAC Postulate 🗸
- 3. PSSIAS Theorem 🗸
- 4. Division Property of Equality ✓
- 5. Segment Addition Postulate 🗸

R Answer

- 1. Subtraction Property of Equality 🗸
- 2. Definition of Segment Bisector ✓
- 3. Law of Substitution 🗸
- 4. Transitive Property of Equality ✓
- 5. Definition of Congruent Angles ✓

Activity 3.2.1: Postulates and Theorems

Total points = 10

A. Answers

- 1. Subtraction Property of Equality 🗸
- 2. PCAC Postulate 🗸
- 3. PSSIAS Theorem ✓
- 4. Division Property of Equality 🗸
- 5. Segment Addition Postulate ✓

B. Answers

- 1. Subtraction Property of Equality 🗸
- 2. Definition of Segment Bisector \checkmark
- 3. Law of Substitution ✓
- Transitive Property of Equality ✓
- 5. Definition of Congruent Angles ✓

Activity 3.2.1: Postulates and Theorems

Total points = 10

A. Answers

- 1. Subtraction Property of Equality 🗸
- 2. PCAC Postulate ✓
- 3. PSSIAS Theorem ✓
- 4. Division Property of Equality 🗸
- 5. Segment Addition Postulate ✓

B. Answers

- 1. Subtraction Property of Equality 🗸
- 2. Definition of Segment Bisector ✓
- 3. Law of Substitution ✓
- 4. Transitive Property of Equality ✓
- 5. Definition of Congruent Angles ✓

Activity 3.2.1: Postulates and Theorems

Total points = 10

A. Answers

- 1. Subtraction Property of Equality 🗸
- 2. PCAC Postulate 🗸
- 3. PSSIAS Theorem ✓
- 4. Division Property of Equality ✓
- Segment Addition Postulate ✓

B. Answers

- 1. Subtraction Property of Equality 🗸
- 2. Definition of Segment Bisector 🗸
- 3. Law of Substitution 🗸
- 4. Transitive Property of Equality ✓
- 5. Definition of Congruent Angles ✓

Activity 3.2.1: Postulates and Theorems

Total points = 10

A. Answers

- 1. Subtraction Property of Equality 🗸
- 2. PCAC Postulate 🗸
- 3. PSSIAS Theorem 🗸
- 4. Division Property of Equality ✓
- 5. Segment Addition Postulate 🗸

B. Answers

- 1. Subtraction Property of Equality 🗸
- 2. Definition of Segment Bisector ✓
- 3. Law of Substitution v
- 4. Transitive Property of Equality ✓
- 5. Definition of Congruent Angles ✓
